3D2N BOHOL

TOUR CODE: 3TAG FIT

Bohol takes pride in its mountains as well as its beaches, simultaneously featuring the world-famous Chocolate Hills and the dreamy shores of Panglao. Chocolate Hills is a series of 1,776 perfectly symmetrical, haycock-shaped hills that rise from 40-120 meters above the ground. During summer the Hills dry up and turn brown transforming the area into seemingly endless rows of chocolate "Kisses." The Philippine Tarsier, the world's smallest primate, is indigenous to Bohol. Tarsiers have large eyes, measure 4-5 inches and have tails longer than their bodies. The species is believed to be about 45 million years old. Visit the Blood Compact Site which honors Sandugo, the first international treaty of friendship between the brown and white races. Bohol: 1,776 hills... and then some!

DESTINATIONS COVERED:

BOHOL

HIGHLIGHTS:

- * Visit the Chocolate Hills, a natural wonder of perfectly symmetrical, haycock-shaped hills
