3D2N PUERTO PRINCESA PALAWAN

TOUR CODE: 3PPS FIT

Aptly nicknamed "the city in a forest," Puerto Princesa city's attractions have much to do with its natural wonders and commitment to the environment. In fact, it's been named the Philippines' cleanest and greenest city, and has been internationally recognized for environmental excellence. Puerto Princesa's pride is easily the Puerto Princesa Underground River, a UNESCO World Heritage Site and one of the New 7 Wonders of Nature. The 8.2-kilometer river, said to be the longest navigable underground river in the world, winds its way underneath a mountain range, through the St. Paul Underground River Cave, and then goes out into the West Philippine Sea. Looking to swim? Island hopping is one of the biggest draws of Puerto Princesa. At Honda Bay, boats take tourists to nearby islands for lunch picnics, snorkeling and non-stop swimming. The calm water and sandy bottoms beat any hotel pool. For the brave, exotic food choices await like tamilok (shipworm) and crocodile meat.
