4D3N CEBU + BOHOL

TOUR CODE: 4CEB TAG FIT

To say that Cebu is charming is an understatement. It's in Cebu where the first Spanish settlement in the Philippines was established. Home to a multitude of curious sites including a church which houses the country's oldest religious relic, it's easy to be enchanted while holidaying in Cebu. In Oslob, one can go underwater for a close encounter with the whale sharks. Trust that this experience will create memories that will last a lifetime. The famous Sinulog Festival, which celebrates the child Jesus, happens every third Sunday of January. The city hosts a wild, colorful street party attracting revellers from around the Philippines and the world. Don't forget to check out Cebu's dried mangoes and lechon Cebu which TV Chef Anthony Bourdain rightfully called the "best pig ever!"

Bohol takes pride in its mountains as well as its beaches, simultaneously featuring the world-famous Chocolate Hills and the dreamy shores of Panglao. Chocolate Hills is a series of 1,776 perfectly symmetrical, haystack-shaped hills that rise from 40-120 meters above the ground. During summer the Hills dry up and turn brown transforming the area into seemingly endless rows of chocolate "Kisses." The Philippine Tarsier, the world's smallest primate, is indigenous to Bohol. Tarsiers have large eyes, measure 4-5 inches and have tails longer than their bodies. The species is believed to be about 45 million years old. Visit the Blood Compact Site which honors Sandugo, the first international treaty of friendship between the brown and white races. Bohol: 1,776 hills... and then some!
