4D3N PUERTO PRINCESA + EL NIDO PALAWAN

TOUR CODE: 4PPS ENI FIT

Aptly nicknamed "the city in a forest," Puerto Princesa city's attractions have much to do with its natural wonders and commitment to the environment. In fact, it's been named the Philippines' cleanest and greenest city, and has been internationally recognized for environmental excellence. Puerto Princesa's pride is easily the Puerto Princesa Underground River, a UNESCO World Heritage Site and one of the New 7 Wonders of Nature. The 8.2-kilometer river, said to be the longest navigable underground river in the world, winds its way underneath a mountain range, through the St. Paul Underground River Cave, and then goes out into the West Philippine Sea. If Palawan is indeed "the last frontier" of the Philippines, as it's been dubbed, the coastal town of El Nido is the gateway to wild adventure. Sure, it's got powder-fine beaches and gin-clear waters. But the views are what really sell the place. Off the coast of El Nido are majestic karst limestone formations, empty lagoons, marble cliffs, prehistoric caves and waterfalls. All are easily explored. El Nido is a popular base for divers. Surrounding waters contain more than 50 species of coral, and attract whales, whale sharks, sea cows, manta rays, dolphins and endangered turtles.
