Our first stop is Crocodile Island Marine Sanctuary for swimming and snorkeling to see an abundance of colorful tropical fishes. We will also do fish feeding. We then proceed to Crystal Cove Island where we will see some exotic bird species in the mini-aviary and do bird feeding. Crystal Cove got its name from its two coves which we will also explore and even swim in. Adrenaline junkies will have blast on our next destination -- Magic Island. Magic Island has diving boards on the edge of a cliff varying from heights of 3 meters to 10 meters. Get ready to jump and plunge into the cool surrounding water. Refreshments will be served throughout the tour. Afterwards we proceed to Puka Beach, a secluded beach on the northern part of Boracay. This quiet beach is made of white sand and tiny white puka shells thus its name. Enjoy a picnic dinner as the sun vanishes into the horizon. Transfer back to hotel. Overnight in Boracay
