DAY 02 (B, L) MANILA-TAGAYTAY-MANILA

Breakfast at hotel. Pick up from hotel then proceed to Tagaytay Ridge tour. Located 65 kilometers south of Manila, it takes around 2 hours to reach Tagaytay. Tagaytay sits on a ridge 685 meters above Taal Lake and its active island-volcano. From a vantage point along the ridge, one can get a good look of the seemingly placid but volatile Taal Volcano surrounded by the gleaming waters of the lake. The cool, breezy, and at times foggy weather makes it an ideal summer getaway next to Baguio City. The extensive fruit and flower gardens lining the main road are attributed to its rich, fertile soil. Taal Volcano is the world's smallest active volcano. For lunch guests will be served a local delicacy bulalo (beef bone marrow soup), the perfect treat for Tagaytay's cool weather. Pass by local market for a chance to buy fresh fruits, fresh flowers and local handicrafts. Taal Lake is also home to Tawilis, the only freshwater sardines in the world. Optional snack: Coffee Alamid – one of the world's most exclusive & expensive coffee brands whose beans are fermented inside the stomach of the Palm Civet cat and buko pie (coconut pie). Afternoon back to Manila then free time for souvenir shopping at SM Mall of Asia. Transfer back to hotel then overnight in Manila

DAY 03 (B, L, D) MANILA-PUERTO PRINCESA

Breakfast at hotel then check out. Transfer to airport for flight to Puerto Princesa. Meet & greet at Puerto Princesa International Airport (Airport code: PPS). Proceed to hotel for check in then rest. Proceed to Puerto Princesa Underground River tour. Known as the world's longest navigable underground river, the Puerto Princesa Underground River is renowned worldwide as one of New 7 Wonders of Nature. Its main attraction is an 8.2 kilometer Underground River that winds through a spectacular cave before emptying into the West Philippine Sea. At the mouth of the cave, a clear lagoon is framed by ancient trees growing right to the water's edge. Monkeys, large monitor lizards & squirrels find their niche on the beach near the cave. Visitors can also enjoy bird-watching, mountain trekking & exploring the deeper part of the forest. The park was declared a premier ecotourism destination and has been proclaimed a UNESCO World Heritage Site for its outstanding universal value and ecological significance as a natural site of intense beauty. To reach the Underground River we drive through the countryside for about 2.5 hours to Sabang passing through Ulugan Bay. Then 20 minutes boat ride to Underground River passing through magnificent limestone cliffs. Afterwards 15 minutes Monkey Trail hike through the forest will lead us to the mouth of the cave.
